**PLEASE NOTE:**

In late June or early July you should receive your 2008 dues notice mailed out from National. **The Legion 2008 dues year starts on 1 July 2007. Our dues for 2008 should read out as \$40.** If you paid your dues "after 31 January 2007 for 2007 you were considered late and we have a problem trying to keep up with continuous years since they drop to '0' on 1 February if your dues are not in by then. The solution is to pay your dues on the FIRST dues notice that you receive. It will make the Adjutant's job a bit easier and keep the office help from running away to play golf. If you want to pay your 2008 dues when registering for the Reno meeting, please include a separate check for the dues and anything you want to feed the Dragon.
