1. To reduce paper work, we are using this form letter. Encircled are items which apply to your papers at this time.
2. Membership shows continued growth. 2196=1981, 2310=1982, and 2387 for 1983. All this due to people like you who do what they can with what they have.
3. Here is Post BLUE Card or Auxiliary BUFF card application form. We need the extra information and phone numbers too. ZOS types are to use good judgment in underlining such items which cannot be published in regular Poop Sheets. We assume the name can be put into the Annual Roster Poop Sheet and Canary unless you specifically so state. Upon retirement, various controls may still exist. Advise us!
